

Options for Site Furnishings on the 600 Block of Santa Cruz Avenue – Phase 1

Tables

I. Table 537 – Wood Grain Recycled Plastic, Steel Table

Table Size – 4' – 6' (ADA Accessible)

Price Range - \$2,430 to \$2,970 (Price would vary depending on the seating material, finish, and size selected)

Product Finish –

- Slat Options – Wood, Recycled Plastic, and Wood Grain Recycled Plastic.
- Steel members are coated with zinc rich epoxy then finished with a polyester powder coating
- 100% high-density polyethylene consisting of recycled plastic lumber is derived from post-consumer bottle waste.
- Wood grain recycled plastic colors provide a feel and depth of wood

Installation –

- Surface mounted and secured using bolts
- Expansion anchor bolts and nylon glides provided
- Optional umbrella hole available

II. Table 100 –Recycled Plastic Table

Table Size – 6' – 8' (ADA Accessible)

Price Range – \$2,550 for 6' Picnic Table, Poly Lumber

\$2,950 for 8' Picnic Table, Poly Lumber

(Price would vary depending on the seating material, finish, and size selected)

Product Finish –

- Slat Options – Cedar, Grey, Redwood or Walnut Recycled Plastics.
- Steel members are coated with zinc rich epoxy then finished with a polyester powder coating
- 100% high-density polyethylene consisting of recycled plastic lumber is derived from post-consumer bottle waste
- Wood grain recycled plastic colors provide a feel and depth of wood

Installation –

- Three types of support options are available:
 - Surface mounted and secured using anchor bolts
 - Embedment set into concrete foundations
 - Sub floor structural base below finished surface
- Optional umbrella hole available

III. Table 443-62 – Steel Table and Benches

Table Size – 6' – 8' (*ADA Accessible*)

Price Range – \$5,770 for 6' Steel Table and Two Benches

\$6,425 for 8' Steel Table and Two Benches

Product Finish –

- Durable steel members are coated with zinc rich epoxy then finished with a polyester powder coating

Installation –

- Surface mounted and secured using bolts
- All welds are continuous then ground smooth
- Optional umbrella hole available

IV. Table 198 – Oval shaped Steel Table

Table Size – 4', 6', 8' (*ADA Accessible*)

Price Range – \$2,690 for 4' Steel Table, Poly Lumber

\$3,270 for 6' Picnic Table, Poly Lumber

\$3,820 for 8' Picnic Table, Poly Lumber

Product Finish –

- Plastic Options – Cedar, Grey, Redwood or Walnut Recycled Plastics
- Durable steel members are coated with zinc rich epoxy then finished with a polyester powder coating

Installation –

- Surface mounted and secured using bolts
- Expansion anchor bolts provided
- Optional umbrella hole available

Small Tables

I. Table 485-30 – Round Steel Table

Table Size – 30" (*ADA Accessible*)

Price Range - \$620 for 30" Steel Table

\$805 for 30" Steel Table with Wood Grain Poly Lumber

Product Finish –

- For Wood Grain Recycled Plastic Finish
 - Slat Options – Antique Mahogany, Brazilian Walnut Textured
 - 100% high-density polyethylene consisting of recycled plastic lumber is derived from post-consumer bottle waste
 - Wood grain recycled plastic colors provide a feel and depth of wood
- For Steel finish table members are coated with zinc rich epoxy then finished with a polyester powder coating

Installation –

- Two types of support options are available:
 - Surface mounted and expansion anchor bolts and nylon glides provided
 - Embedment set into concrete foundations

High Tables

I. Steel Table with Aluminum*

Table Size – 6' – 8' (*ADA Accessible*)

Price Range - PENDING

Product Finish –

- Slat options in wood grain recycled plastic colors provide a feel and depth of wood
- Fully welded commercial-grade steel construction with aluminum slats
- Polyester powder coat finish

Installation –

- Surface mounted and expansion anchor bolts and nylon glides provided

Chairs

I. Chair 483

Price Range – \$630 Steel Chair with Arms

\$550 Steel Chair with No Arms

Product Finish –

- Durable steel members are coated with zinc rich epoxy then finished with a polyester powder coating

Installation –

- Heavy chairs offering limited flexibility.
- Nylon glides provided

II. Tolix Style Metal Outdoor Chair*

Price Range – \$55 Steel Chair with Arms

\$69 Steel Chair with No Arms

Product Finish –

- Durable steel members are coated with zinc rich epoxy then finished with a polyester powder coating

Installation –

- Light weight and easily movable

III. Chair 481

Price Range – \$700 Steel Chair with Arms

\$620 Steel Chair with No Arms

Product Finish –

- Durable steel members are coated with zinc rich epoxy then finished with a polyester powder coating

Installation –

- Surface mounted and secured using bolts

Benches

I. Bench 530

Price Range – \$1,630 Steel Connecting/Stacking Block with Poly Lumber Seating

\$1,650 Steel Connecting/Stacking Block with Wooden Grain Poly Lumber Seating

\$300 Steel Armrest

Product Finish –

- Slat Options – Wood, Recycled Plastic, and Wood Grain Recycled Plastic
- Steel bench made with carbon steel flat bar and plate coated with zinc rich epoxy then finished with a polyester powder coating
- A versatile connecting and stacking bench, available in single- or two-tier configurations
- Modular design allows for endless customization, with combinations
- Used to create a linear seating wall, a collaborative social space or cozy enclave

Installation –

- Movable (Not fixed)

II. Bench 523

Size – 6' – 8' long

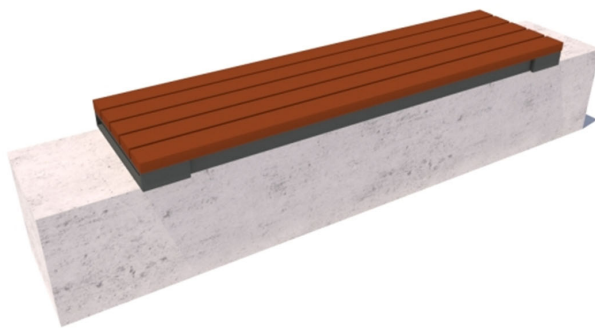

Price Range – Price is unavailable. Since it is tailor-made and depends on the length of the bench.

Product Finish –

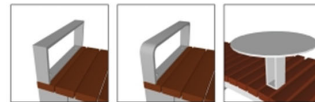

- Slat Options – Recycled Plastic or Wood Grain Recycled Plastic
- Steel bench made with carbon steel flat bar and plate
- Durable steel benches are coated with zinc rich epoxy then finished with a polyester powder coating

Installation –

- Surface mounted and secured using bolts

Center and End Armrest or Table Options

WS23 (parallel wood orientation)

III. Bench 282/283

Size – 6' – 8' long

Price Range – \$1,780 for 6' Aluminum Bench with Steel Seat

\$1,710 for 6' Aluminum Bench with No Arms and Steel Seat

\$2020 for 8' Aluminum Bench with Steel Seat

\$1,950 for 8' Aluminum Bench with No Arms and Steel Seat

Product Finish –

- All aluminum and steel members are coated with zinc rich epoxy then finished with a polyester powder coating
- Expansion anchor bolts are provided

Installation –

- Surface mounted and secured using bolts
